TIME-TABLE, 1896.

Candidates must notify the Inspector, not later than the 24th May, of their intention to present themselves for examination. All notices to the Department for intending candidates must be sent through the Inspector.

It is suggested that the Principals of Collegiate Institutes and High Schools assist, where necessary, the candidates of their school to fill up their forms of application which are to be forwarded, together with the required fee, to the Public School Inspector within whose jurisdiction the candidate proposes writing.

Where the number of candidates necessitates the use of more rooms than one, those taking the same Form examination are, in order to prevent confusion, to be seated in the same room.
